The End of Term!

Today is the day when we would have been breaking up for the Easter holiday. It seems a little different this year!

The last two or three weeks have been very strange. None of us has experienced anything like this before and we are muddling our way through, together.

I want to take this opportunity to thank you, once again, for your support, flexibility, resilience and positivity at this difficult time. It is great to hear that you appreciate the support that our staff are giving you – and we appreciate the support you are giving to us.

I want to thank the staff team. They're dealing with unprecedented times with a smile and a spirit of determination. Many have been into school – working to enable our critical workers to get on with their jobs. Others have been working from home – responding to messages, writing learning projects and making phone calls. We appreciate their efforts!

We hope that you have the chance to relax and enjoy your Easter break.

Best wishes,

Nick Waldron

Easter Holiday Childcare – ONLINE BOOKING CLOSES AT 2PM TODAY

During the Easter break, school will remain open for the very small number of children whose parents' work is critical to the COVID-19 response and are unable to be kept safely at home. Many parents working in these sectors are able to ensure their child is kept at home. **Every child who can be safely cared for at home should be.**

If you need to book a place for any day during the Easter period, please use the form here: <https://forms.gle/vA5moXnWWDjLGGTr5>

We need to plan our staffing for the next two weeks, as we would not usually be in school. If you are a key worker and you need childcare for your children, please complete the form by 2pm today. **Please only request a place for your child if it is absolutely necessary.**

If your circumstances change after 2pm today, please send an email to office@pinnerpark.harrow.sch.uk.

Easter Holiday Arrangements

As the next two weeks are holiday, we won't be setting any 'Learning Projects' for those two weeks. The links we have shared through our website and on these newsletters will still be available if parents are keen to have activities for their children to do during this break.

The year group email addresses won't be monitored during the Easter break. Teachers will respond to any queries following the holiday. If there are any urgent enquires during the break, please send an email to office@pinnerpark.harrow.sch.uk

We will pause our communications over the holiday – the daily newsletter will stop. We'll try and share some occasional thoughts through our social media channels, so make sure you are following us on Facebook, Twitter and Instagram (@pinnerparksch).

Pinner Park Online

Our Video Channel is now up and running. There are now 6 videos to view including lots of 'hello' videos from the staff team/

Benefit-Related Free School Meals

There was a bit of hold up with our voucher issue for this week, but they are on their way!

If your child is eligible for benefit-related free school meals, you will receive a text or email message soon.

Please note that we will **never** ask you for your bank account details and nor will any organisation involved in the voucher scheme. If you receive an email or text asking for bank details, delete it straight away.
