

Returning to Year 1

**A video for Year 1 children to
watch with a parent.**

**You have been at home for
a long time. We are
looking forward to seeing
you very soon.**

**We want you to know that
some things will be
different and some things
will be the same when you
come back.**

**You have been put into
bubble groups! That's
funny isn't it? Not these
sort of bubbles...**

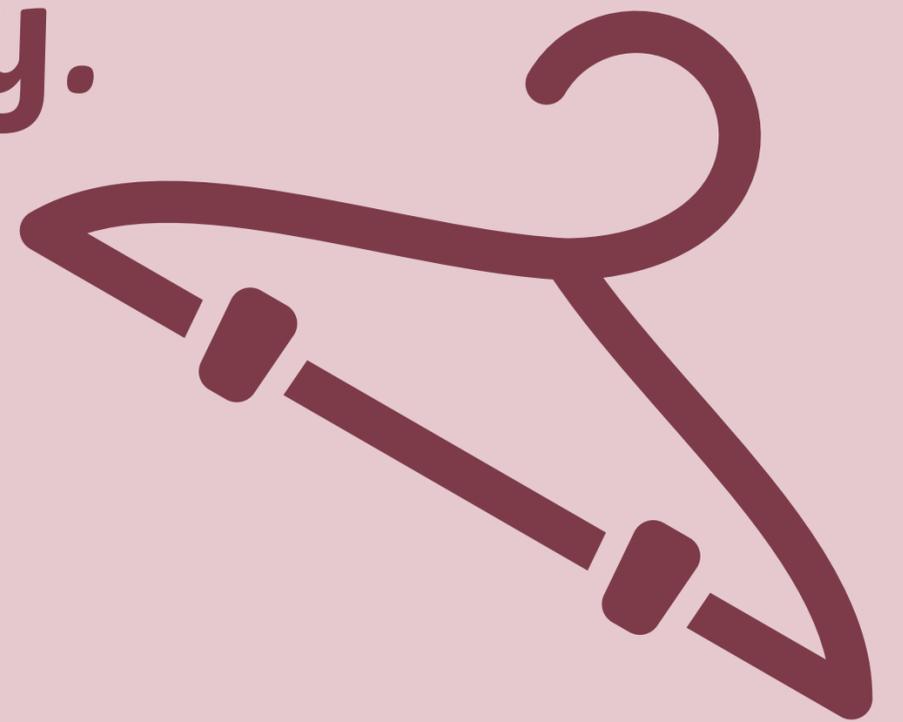

**Your bubble group is like
your family - and you will
stay in your family group
all of the time whilst at
school.**

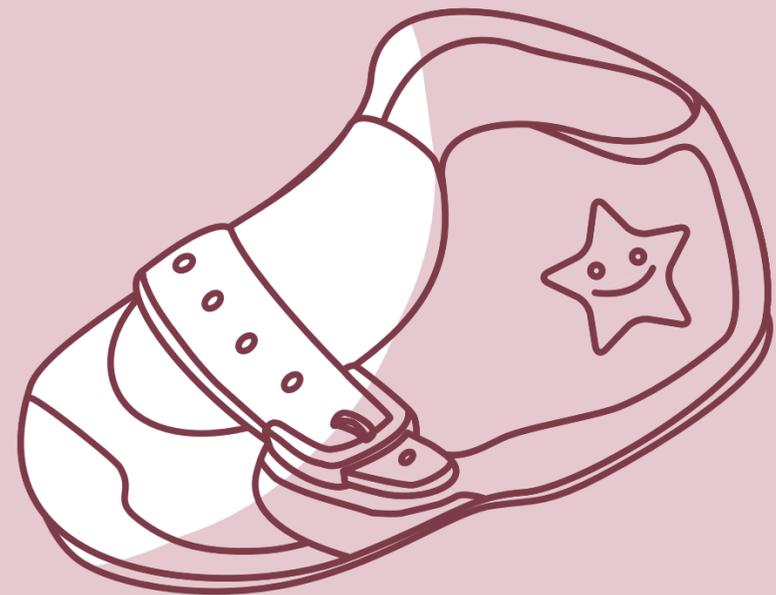

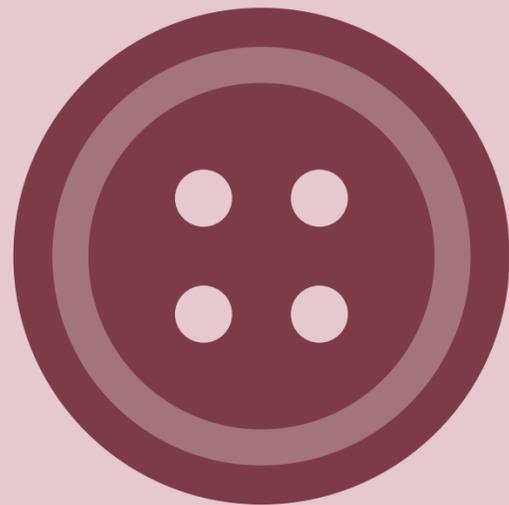

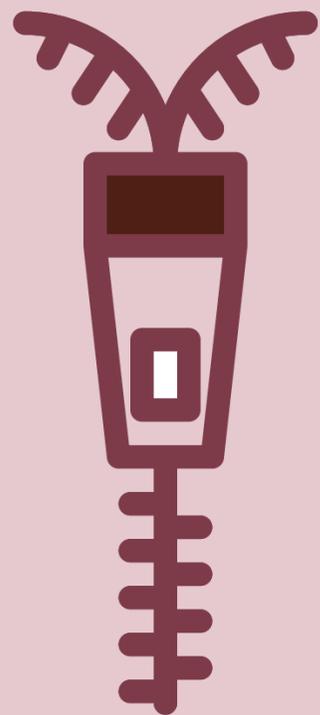

Your group will stay together and use the same equipment inside and outside. The equipment will be swapped over and cleaned before the next group arrives.

Your parents will help you choose what to wear. You can wear your uniform, or something else. Make sure that your clothes and footwear are suitable for an active day.

**Make sure you can do all the
buttons, zips and fasteners
by yourself.**

**You will need a named sun hat,
and a disposable bag with a small
fruit snack in it. Please don't bring
anything else to school with you.**

We'll give you a brand new water bottle to use and keep in school.

We'll write your name on it so you know which one is yours.

**Put on plenty of
sun cream before
school. We'll be
doing lots of
learning outside.**

When you arrive at school, come in through the staff car park. There will be a member of staff there to make sure everyone is safe. Then, follow the signs!

Your group will be quite small and you might not see all of your friends as they might be staying at home or be in another group. But the good news is that you will definitely see some of your friends at school!

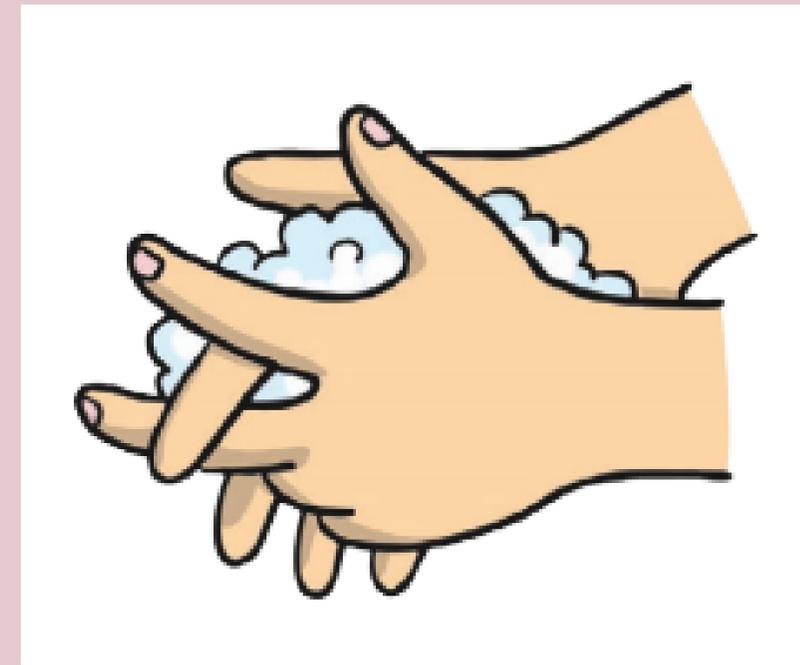

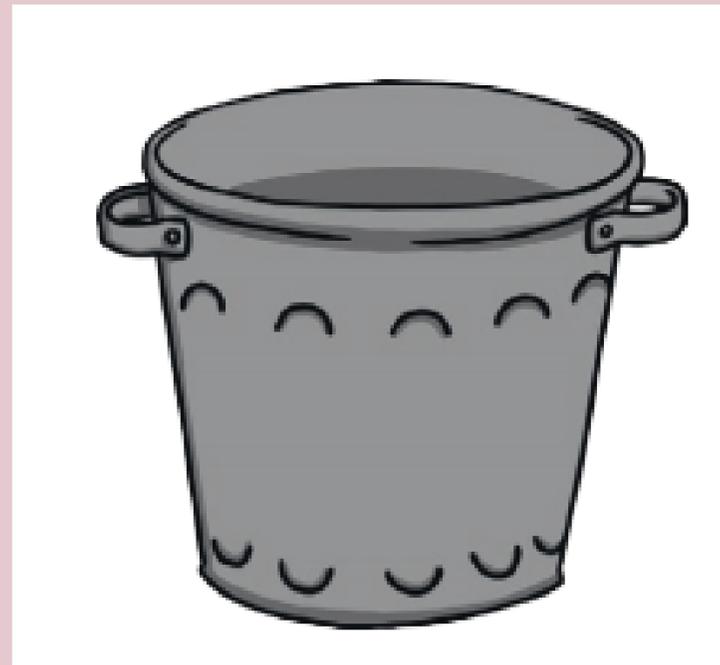

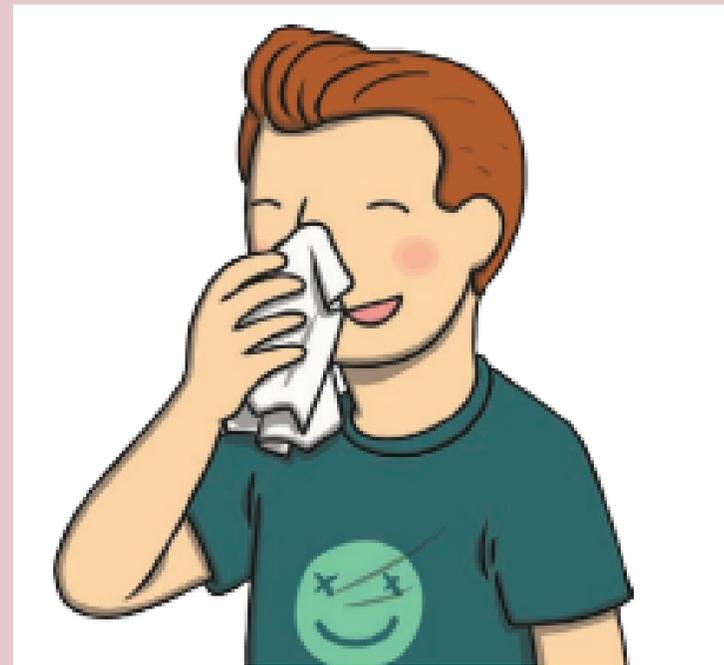

**Your classroom looks a bit different,
but some things are the same too!**

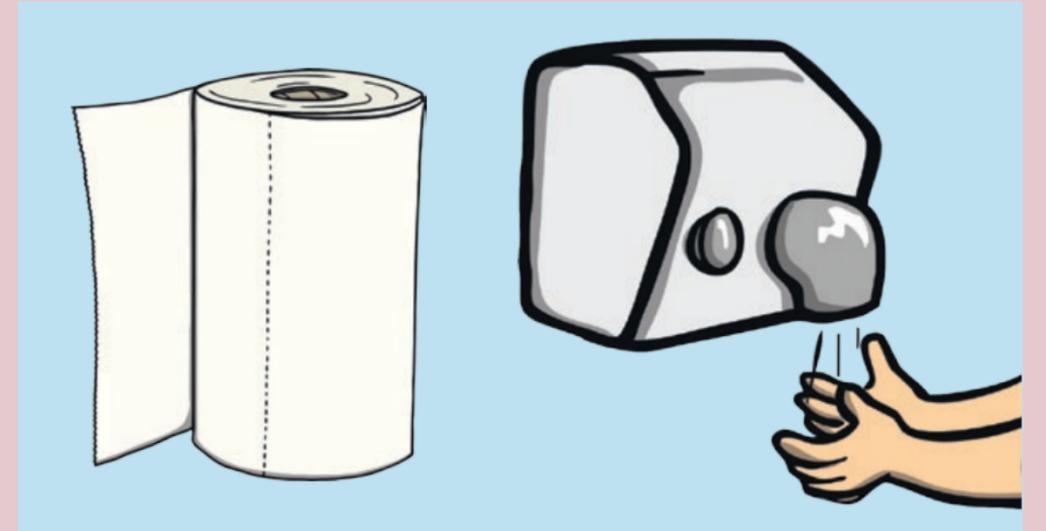

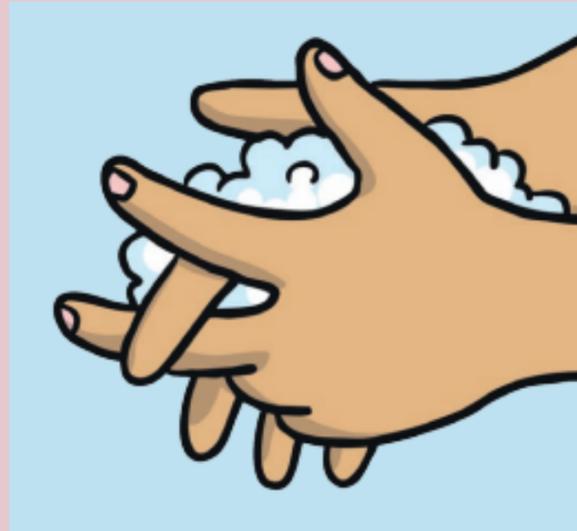

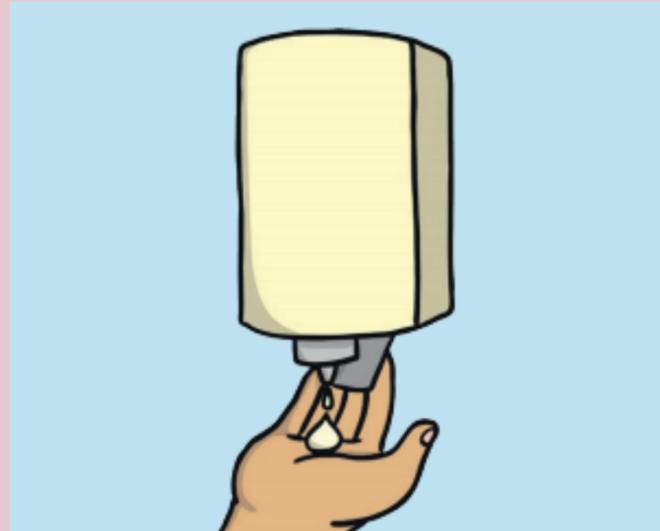

**Your teacher will show you
around your 'new look' class**

**If you sneeze or cough you must use a tissue and put it straight in the bin.
Then you must wash your hands.**

Every day you must wash
your hands regularly.

**We'll keep the doors
and windows open to
allow plenty of fresh
air into the
classroom.**

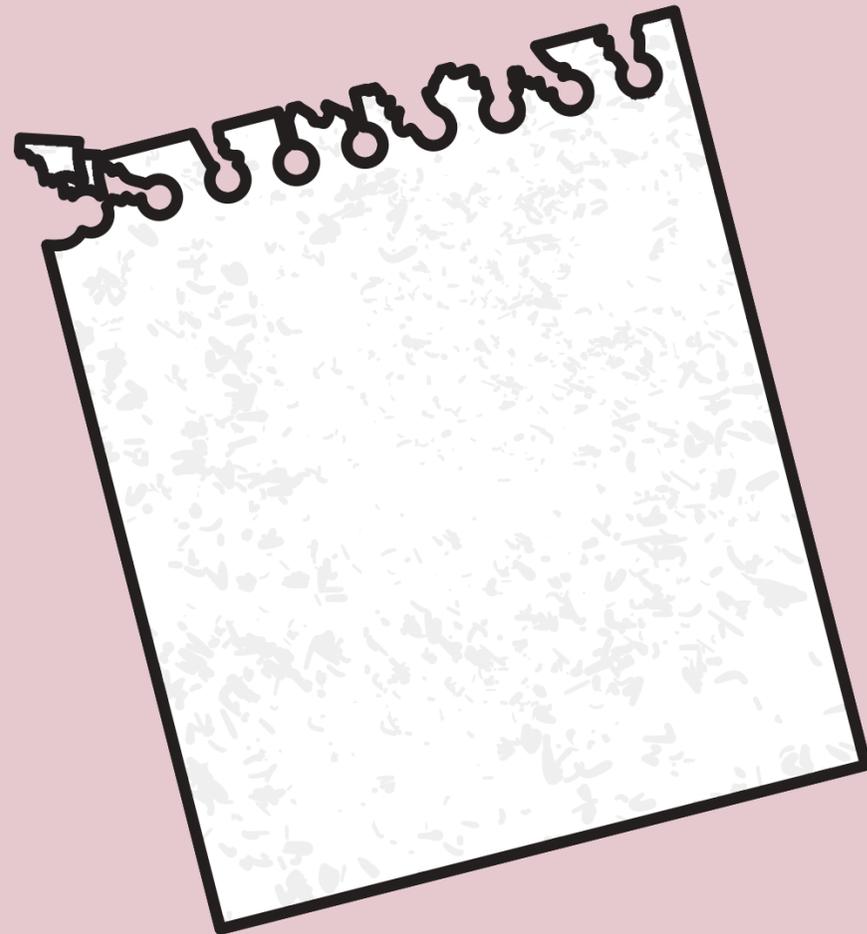

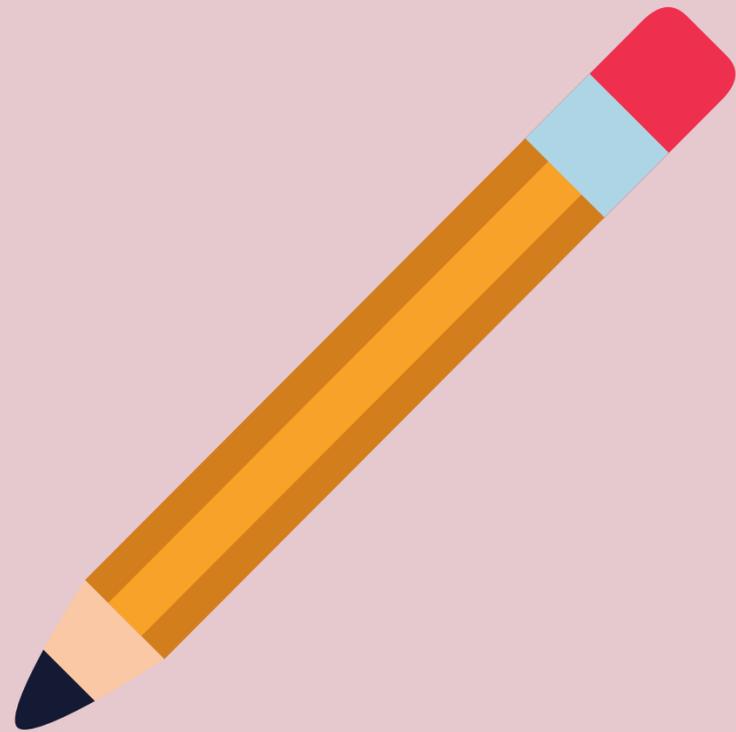

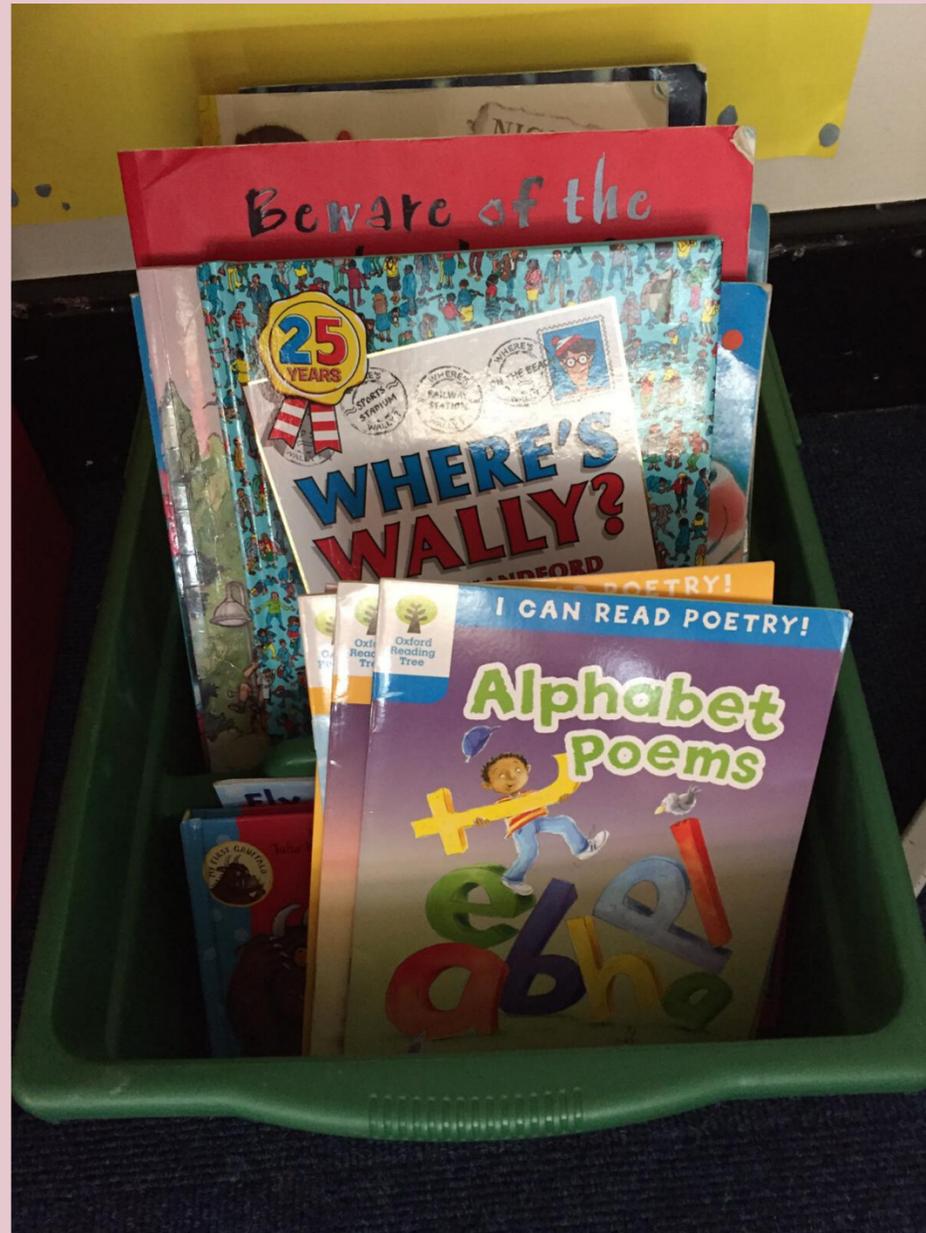

You won't be able to use some of the things in school.

But there are plenty of things you can use.

**Your writing equipment is different. This is very exciting....you will have your own!
It will be in bag with your name on it.**

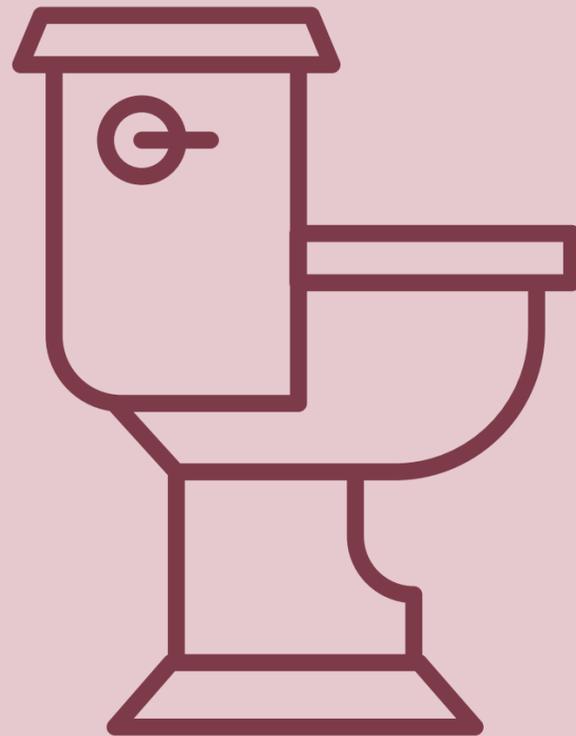

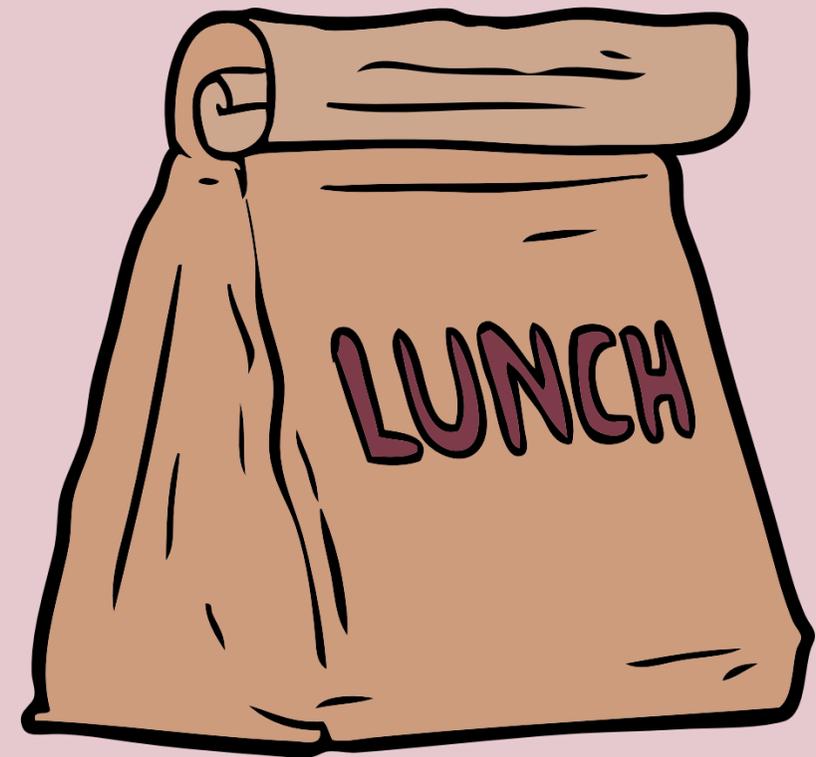

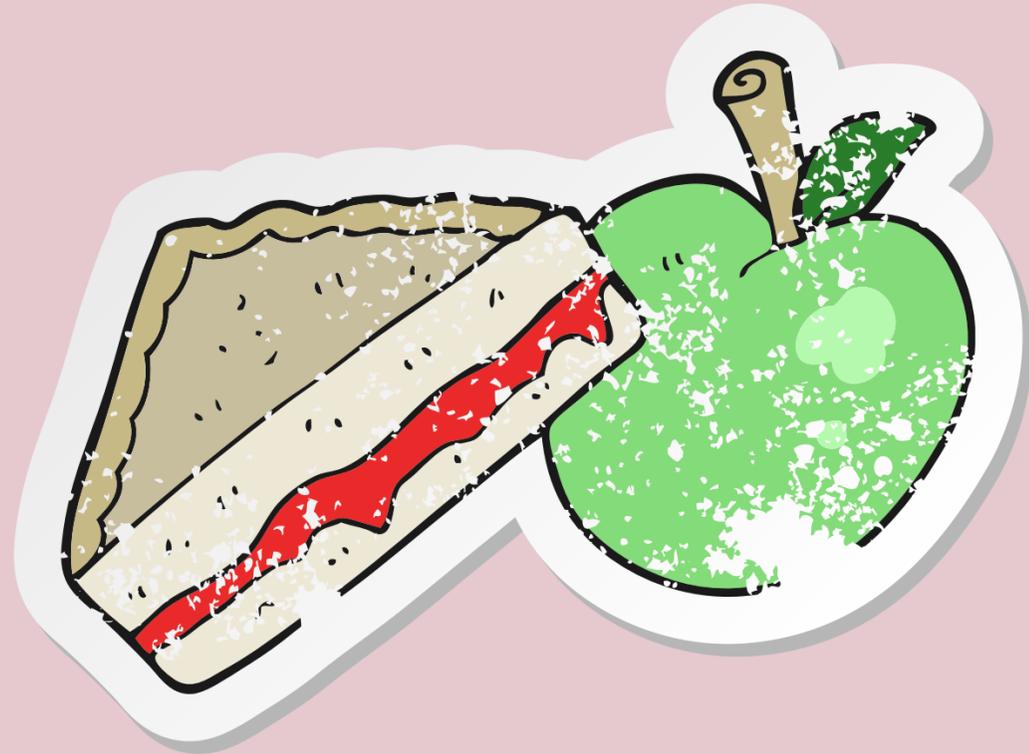

Each group will have
some reading books.
But we don't have a
reading area.

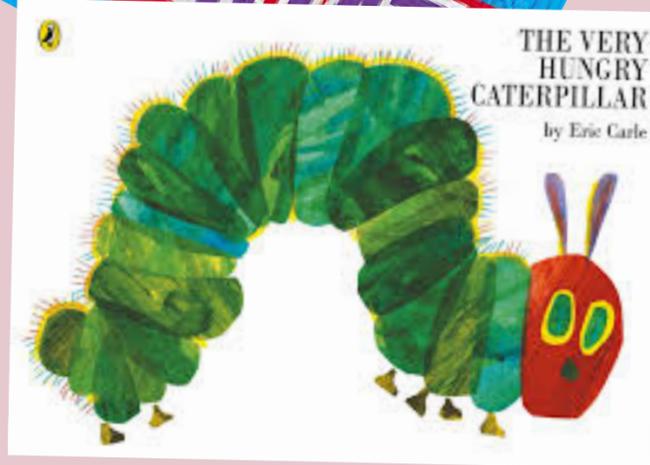

If you need to go to the toilet, just ask a grown up. You don't need to wait until playtime. You must wash your hands after you have been to the toilet, as you usually do.

**We'll eat lunch in the classroom,
like having a picnic. During
playtime, each group will have an
outdoor area just for them.**

At tidy up time you must tidy what you have used inside and outside. That's the same. And we'll still be having story time.

**At home time your parent will collect you from the playground.
Remember to follow the signs on the way out!**

**When you go home
the adults in your
group will be cleaning
your classroom and
equipment ready for
the next bubble!**

**There will be special
cleaners cleaning
all day too.**

You will have lots the same and some things different when you come back to school. We are looking forward to seeing you really soon!

WELCOME
