Happy Planet Wraparound Care

Welcome to our Wraparound Care

Happy Planet is an independent provider of wraparound care working in partnership with Pinner Park Primary School. We aim to provide a safe, high quality, enjoyable and affordable wraparound service for the children of Pinner Park Primary School. Our provision is flexible and is designed to meet your needs as a busy parent, providing a consistent and quality childcare service.

Our Team

All our staff know the importance of meeting the individual needs of every child. All staff have to successfully complete appropriate medical and safeguarding checks and we ensure there is a good ratio of staff to children.

Activities

Children enjoy coming to our wraparound care because our experienced staff listen to them, talk to them and watch to see what they enjoy doing best. This means that when the children and staff plan what they want to do, they create a programme together that is fun for everyone.

The children can enjoy a range of activities such as: games, arts and crafts, outdoor play, reading, construction (Lego, building blocks etc) small world play (train set, dolls house etc), imaginative play (puppet theatre, dressing up etc). The children also have the opportunity to do their homework if they/you so wish and just to chill out before / after a busy and tiring day.

IN our breakfast club, we aim to provide a calm start to the school day. The children often help to set the table and good manners are encouraged whilst eating. Some activities we offer in the morning are: art and craft, small construction toys, small world play, jigsaws, board games etc.

Food and Drink Provision

Happy Planet Wraparound Care aims to promote healthy eating and the food we offer reflects this, whilst recognising some children have particular likes/dislikes. Drinking water is available at all times.

Breakfast is served between 8.00am and 8.30am. Children have a choice of cereals, and toast (with a range of spreads). In addition to water, milk is available to drink.

In After School Club, the children will be offered snacks as they arrive at the club. A menu is displayed on the parent information board. During the session we have a break where milk and fruit is available.

Registration and Booking

In line with Ofsted Guidelines, children need to be pre-booked in for both breakfast club and after school club. Parents are asked to complete a registration form (a separate form for each child).

Registration forms are available through the school office, or from the school website. We currently have a waiting list for our wraparound provision. For enquiries, please use the contact numbers below to speak directly with a member of the Happy Planet team.
