

**JOIN STREET TAG  
GET ACTIVE. HAVE FUN.  
HELP PINNER PARK WIN!**

## **INTRODUCTION**

Street Tag is a free, child and family-friendly mobile application that uses virtual tags to incentivise communities and families to become more physically active and boost mental health.

On the Street Tag app, you collect points assigned to virtual tags all-around the community, including green spaces. Once you are within a 40-metre radius of any virtual tag, your app will automatically collect the points. Steps can also be synced and converted into Street Tag points. These points are shown on the school's leader board in real-time!

It's lightning-fast and easy to create new tags on your preferred walking, running, or cycling route on Street Tag. Anyone can create virtual tags around them using the app.

Use the Street Tag 'Power Hour' to commit to an hour of exercise at least 15 minutes in advance and have all your tag points collected during that hour tripled and maintain a daily streak of physical activity for even more bonuses.

Start using Street Tag to explore and boost your daily physical activity and mental health. Collect virtual tags, sync your steps, try different experiences in the virtual playground and WIN PRIZES.

## **HARROW SCHOOLS LEADER BOARD**

We will be participating in the Street Tag Harrow Schools Leader Board.

With Street Tag, we'll be recording the distance we walk, run, or cycle by collecting virtual tags with smartphones at various locations, watching our total distance accumulate to climb up the leader board. Steps are converted into points by syncing steps into the Street Tag app.

Let's see if we can get Pinner Park to the top of the leader board!

The next competition for Harrow schools runs from 10 July 2023 to 7 November 2023. We can collect points throughout the Summer holiday too!

### Features of the App\_Menu (top left)

5. Leader board: The leader board displays your rank, School team name, and the number of points your school has.
6. Message Board: This is your message board where you can view regular updates from Street Tag HQ and important announcements or opportunities. You will receive a notification when a new message has been shared, and we recommend you check this board regularly.
7. Dashboard: You can see your team's scores and individual players' scores. Miles/distance covered.
8. Tags can be seen on the main screen map. The tags are yellow. Once they are scanned they turn red. A tag cannot be re-scanned within an hour.
9. Tags with Star are more than 50 points in value.
10. A set of 18 tags will earn a bonus of 200 points.
11. Playground: All the app features are listed on it.

**Steps** collected from indoor and outdoor activities can be converted into Street Tag points through the app with Fitbit, Apple Watch, Garmin, or inbuilt pedometer, or by uploading screenshots of your steps.

**Power Hour** is a flexible hour during the day for you to collect TRIPLE POINTS by walking, cycling, and running to collect virtual tags. When you tag during your power hour, you earn triple points per each virtual tag that you successfully collect. You can pick your 'Power Hour' of choice timeslot at least 15 minutes in advance. You can select up to 7 days of Power Hour slots in advance. When your Power Hour starts, there will be a countdown for that hour and all the 'tags' (not steps) that you collect during that hour will be triple points, except for Saturdays between 9:15 AM and 11 AM Power Hour will not be available for selection. You do not have to exercise for the whole hour, you can exercise for the whole hour or you can do as much as you wish to do. The standard points assigned to each tag will remain outside of your selected power hour.
