

## W/C 6.07.2020: Learning Project - CELEBRATIONS

### Year 2

[View this week's video here](#)

Weekly Reading Tasks	Weekly Spelling Tasks
<b>Monday-</b> Check Dbprimary for a picture with literal and inference questions to answer. Can you make a list of your own literal and inference questions about the picture?	<b>Monday-</b> The word 'celebration' contains the 'tion' suffix. This sound can also be spelt 'sion' in other words. Ask your child to write sentences using these words: <b>attention, explosion</b> and <b>television</b> .
<b>Tuesday-</b> Read the story <a href="#">Kipper's Birthday</a> . Talk to your child about the similarities and differences with their own birthday celebrations.	<b>Tuesday-</b> Before your child starts their writing task, ask them to choose a celebration and mind map all of the words that they associate with it.
<b>Wednesday-</b> Show your child some celebration cards that they have received in the past. Ask them to read the messages out loud, including any poems/verses.	<b>Wednesday-</b> Write the months of the year on pieces of paper and ask your child to order them. Encourage them to look carefully at the spellings, what do they notice?
<b>Thursday-</b> Your child can listen to the story ' <a href="#">Hanukkah Bear</a> '. Ask them to show what they have learned by drawing a picture and labelling it.	<b>Thursday-</b> Your child can practice some of the High Frequency Words by playing <a href="#">this</a> game.
<b>Friday-</b> Your child can create a celebration book of their own for their own home library. This could be about one celebration or lots of celebrations.	<b>Friday-</b> Ask your child to practise writing the letters of the alphabet in lower case and as capital letters. They can practice maths and punctuation symbols too.

Weekly Writing Tasks	Weekly Maths Tasks	
<p><b>Monday-</b> Read '<a href="#">Staying Home</a>' together. Afterwards, ask your child to write about a few events/ activities they have done during lockdown. They could draw illustrations to match. <b>This should be uploaded onto Dbprimary.</b></p>	<p><b>Monday-</b> White Rose Maths - Litres</p>	<p><a href="#">White Rose Maths</a> videos are available for each session this week from the White Rose Maths website. The accompanying worksheets will have been sent out via School Ping.</p>
<p><b>Tuesday-</b> Ask your child to write a diary entry recounting a celebration that they have taken part in. If this is too tricky, they could draw a series of pictures about the event and write a sentence for each picture.</p>	<p><b>Tuesday-</b> White Rose Maths - Temperature</p>	
<p><b>Wednesday-</b> Can your child write a menu for a special celebration? It could be Christmas dinner or a Diwali feast? Remind them to include dessert and drinks. What could the menu look like? If you have access to a PC, your child could practice their computing skills by typing (some of) the menu up.</p>	<p><b>Wednesday-</b> White Rose Maths – O'clock and half past.</p>	
<p><b>Thursday-</b> Your child can ask family members questions about any traditional celebrations you may have as a family. Get them to write the questions first using a range of question words (Why? Where? How? Who? etc.). With supervision, they could call family members and ask the questions over the phone.</p>	<p><b>Thursday (theme)-</b> White Rose Maths – Quarter past and quarter to. You can also practise telling the time in 5 minute intervals i.e. 5 minutes past 2. This is a <a href="#">game</a> you could play.</p>	
<p><b>Friday-</b> Ask your child to create a fact file/ brochure about a celebration of their choice. It could be one they celebrate or a celebration they don't know a lot about? You can use the questions on Dbprimary to help you and pictures/ drawings. <b>This should be uploaded onto Dbprimary.</b></p>	<p><b>Friday (theme)-</b> Use this day to consolidate the week's learning and to practice times tables using some of the links below.</p>	

## Learning Project - to be done throughout the week

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

- **Party Preparation-** Tell your child that they are going to become party planners. They can plan a party for a person of their choice. Ask them to write a guest list for the party, design an invitation and make a list of things that they will need (e.g. banners and balloons). They could even choose songs to play and write a shopping list for the buffet.
- **Let's Celebrate-** Gather the family and sing the song '[Celebration](#)': Can you add actions to the dance? Could you have a concert and perform to your family and friends? Record the performance and watch it back as a family- what could be even better about the performance?
- **How I Celebrate-** Your child can watch [this](#) video about celebrations. Following this, provide them with a list of the months of the year. Can they list celebrations from around the world and match the months in which they are celebrated? Then ask your child to list what, if anything, they celebrate each month in a different colour. Which celebration do they enjoy most? Why? They could also match the celebration to the season e.g.

Autumn: Diwali, Bonfire Night, Harvest Festival , Hanukkah

Winter: Christmas, New Year

Spring: Holi, Easter, Mother's day

Summer: Father's day, EID, Vesak

- **Spring is in the Air-** Spring is all around us and is a time when we celebrate new life e.g. daffodils springing, lambs being born. Your child can watch [this video](#) and [this video](#) about seasons. Task your child with creating a mini-book all about the four seasons. Perhaps they could make a crafty project to represent each season instead? Encourage your child to look out of the window and observe any changes in the weather, plants and animals over the course of a week or a month. Share your child's learning at [year2@pinnerpark.harrow.sch.uk](mailto:year2@pinnerpark.harrow.sch.uk)

## Learning We Want to See

Each week we are setting some learning which we want every child to send in to us. Please upload the tasks to DB Primary (if you can't do this, please send in your learning through our email address: [year2@pinnerpark.harrow.sch.uk](mailto:year2@pinnerpark.harrow.sch.uk))

For this week, we want to see the following. Please let us see it by Friday!

- **Monday's writing task**
- **Friday's writing task**

## Additional learning resources parents may wish to engage with

- [Education city](#) – Check for this week's tasks
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [Numbots/ TTRockstar](#) Your child can access this programme with their school login.
- IXL- Click here for [Year 2](#) . There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#) Learning packs with a range of different activities and lessons. There are notes on how to do these activities with your children.
- [Y2 Talk for writing books](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.

The Learning Projects are based on the **National Curriculum expectations** for the key stage which your child is in. It may be that your child finds the tasks set within the Learning Project for their year group too simple. If this is the case, then we suggest that your child accesses the Learning Projects which are set for the key stage above. Equally, if the projects are too challenging, then we advise that your child accesses the projects for the key stage below.

If your child requires more of a challenge, or you believe that there are some gaps in their learning then [Century Tech](#) is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up [here](#).
