

Home Learning Learning Projects

EARLY YEARS | WEEK 7 | CELEBRATIONS

Weekly Maths Tasks (Aim to do 1 per day)

- Watch a Numberblocks clip each day at: [BBC](#) or [CBeebies](#). Use this guide [here](#) to give you ideas on what to do with your children whilst watching an episode.
- Play this [game](#) to practise counting, ordering and matching numbers to 10.
- Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.
- Listen to a number song from the [CBeebies](#) website. After listening to them, watch again and sing along if you can. Talk about the maths you can see in the video clip.
- Make a selection of birthday cards with numerals on the front. Can your child count out birthday candles (if you have them available) or objects to match the amount? Can they order the numerals from the smallest amount to the largest?

Weekly Reading Tasks (Aim to do 1 per day)

- Read a variety of books at home. Favourites can be repeated.
- Visit Oxford Owl for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.
- With your child, look in magazines, newspapers and books for the tricky words they are currently learning. They could use a highlighter to highlight in magazines and newspapers.
- Use the [Small Talk](#) website for ideas on supporting your child's Communication and Language development.
- watch a video clip about different celebrations <https://www.youtube.com/watch?v=3Sv0ac-W8Vc>

Weekly Phonics Tasks (Aim to do 1 per day)

- Daily phonics - Practice the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. [Interactive games](#).
- Watch a video of a [fireworks display](#). Can your child explore using instruments (if available) or household objects e.g. pots and pans to make their own imitation of firework sounds.
- Learn the song '[On Bonfire Night](#)' and encourage your child to make marks to represent the sounds in the song e.g. whiz, whiz could be a swirling pattern.
- Learn some more phase 4 tricky words
 - have
 - said
 - when
 - what

Weekly Writing Tasks (Aim to do 1 per day)

When children are completing writing tasks it is important that they are able to see the phonics sounds and have support in remembering their tricky words. We have been working on capital letters, full stops and finger spaces.

- Create a card for a celebration of your choice. Can your child use their phonics knowledge to write a message for the person they would like to give it to?
- Ask your child to draw a picture of a celebration they have taken part in. Encourage them to use their phonics knowledge to write about their memory of that day.
- After watching the video about celebrations - write a sentence about which one you would like to find out more about.

In Reception, we do not expect correct spelling. Children are encouraged to use their phonics to spell as best they can.

Learning Project - to be done throughout the week

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

- **Family Photographs-**

- Look over a selection of photographs of family celebrations and discuss with your child: what the celebration was about, who attended, what you did to celebrate, when it took place, whether it is an event that happens each year. Can your child remember the event taking place? What do they remember of it?

- **Plan a family celebration-**

- Decide on a family celebration for the week. This could be a family indoor picnic, meal, dance etc. Ask your child to write invitations to family members to the party.
- Create homemade decorations using coloured paper (If you do not have coloured paper at home, you could use old newspaper or wrapping paper) You could make paper chains or bunting
- Plan a menu for the party and make the food together.

- **Discover religious celebrations-**

- Watch the Let's Celebrate video collection for [Easter](#). Discuss the celebrations with your child. Did they celebrate Easter? Which of the events did they take part in?
- Watch the Let's Celebrate video collection for [Eid-al-Fitr](#). Discuss the celebrations with your child. Did they celebrate Eid-al-Fitr? How did they celebrate? Are there any similarities and differences between the celebrations they saw in the Easter videos?
- Look through the range of [videos](#) available on Cbeebies and watch together. Discuss who celebrates the event and any similarities and differences with celebrations your child has taken part in.

- **Birthdays-**

- Talk to your child about when they were born. Look at photographs of the day they were born, if you have them available. Do they know the date of their birthday? Support your child to create an all about me folding book (as pictured) with their birth date, current age and anything else they think is important for people to know about them.
