W/C 01/06/2020: Around the World

Year 1

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Remember that reading is the single most important activity that you can do with your child. The following ideas are to supplement your regular reading together.</p>	<p>Please try and do the daily phonics lesson which can be found here: https://wandleenglishhub.org.uk/lettersandsounds/year-1</p>
<p>Monday- Ask your child to look through their books and identify any places from around the world by looking at the illustrations. They could also look through a magazine or newspaper and find the names of different countries.</p>	<p>Monday- The word 'around' contains the sound 'ou'. Ask your child to list as many words as they can containing the 'ou' sound. Your child might identify words that contain an alternative spelling for 'ou' such as ow.</p>
<p>Tuesday- Follow the story Here We Are with your child. What makes our world so special? Using the story, your child can make a list.</p>	<p>Tuesday- Practise spelling days of the week using different materials in the house. Can they find materials to match the colours of the UK flag?</p>
<p>Wednesday- Help your child to look through cookery books for a recipe originating from another country. Ask them to use decoding skills to read some of the ingredients. Why not make it if you have the ingredients!</p>	<p>Wednesday- 'Where', 'would', 'people', 'clothes' and 'water' are some of the words that children in KS1 need to be able to spell. Can your child use these to write sentences about a contrasting country?</p>
<p>Thursday- Use an atlas or a map and locate countries that make up the UK. Look at the flag of Great Britain and the flags of each individual country. Map and flags and Map to fill in</p>	<p>Thursday- Can your child think of a country for each letter of the alphabet? Can they add an adjective before each place that starts with the same letter? E.g. Fantastic France, Incredible India</p>
<p>Friday- Follow the story When I Coloured in the World. What would your child change about the world? Ask them to draw a picture of their ideal world.</p>	<p>Friday- Recognise vowel and consonant digraphs and blending by playing this game or add suffixes playing this game.</p>

Weekly Writing Tasks	Weekly Maths Tasks White Rose Maths Hub videos are available for each session. The accompanying worksheets are sent out via School Ping.
Monday- Ask your child to create a leaflet about a place in the world they would like to visit/have visited. Include the weather, landmarks and cuisine.	Monday- White Rose Maths activity – Measure mass
Tuesday- Draw a picture of 10 different pieces of fruit or vegetables from around the world and label them using adjectives e.g. fresh, juicy pineapple.	Tuesday- White Rose Maths activity – Compare mass
Wednesday- Your child could write a set of instructions for a meal they would love to share with family and friends. They can use illustrations too.	Wednesday- White Rose Maths activity – Introduce capacity and volume
Thursday- Your child could write a letter to a friend or a family member who lives in a different part of the world - describe where they live and describe school. Think of questions to ask about where they live and about their school.	Thursday- White Rose Maths activity – Measure Capacity
Friday- Visit the Literacy Shed for this wonderful resource on The Black Hat or your child could write their own version of When I Coloured in the World .	Friday- Use this day to consolidate the week’s learning and to practice times tables using some of the links below.

Learning Project - to be done throughout the week
<p>The project this week aims to provide opportunities for your child to learn more about countries and cities around the world. Learning may focus on different cultures and traditions, famous landmarks, food and clothing.</p> <ul style="list-style-type: none"> ● Flags- Look at flags from around the world with your child. Discuss which are your child’s favourites and why? Ask your child to recreate their favourite; this could be through drawing, collaging etc. Can they place the flag on a map? There are some quizzes that your child can have a go at here. Can they create their own quiz about the UK? ● Dance Around the World- Watch the following dances: Diwali Stick Dance, Maypole Dancing and Spanish Flamenco Dancing. Encourage your child to have a go at some of the moves used in these videos. Record the dances and ask your child to evaluate what they did well and what they could do even better when watching them back. Can your child recreate one of the costumes using items from their wardrobe? Perform the dance to a family member. ● Food Tasting Fun- Find some different fruits from around the world. This could include: mangos, kiwis, pineapples, bananas. Encourage your child to try them and have a discussion about which ones they liked and which ones they did not like. Cut the fruits open and task your child with sketching the inside of each fruit. Remind them to look closely at the patterns and shapes. ● Where in the World? - Have a discussion with your child about your own family heritage. Discuss with them your traditions and where your family originates from. This may be where you live now or it could be somewhere completely different. Ask your child to create a poster or PowerPoint all about their own family. Can they include a map identifying the country they’re from? Share these at share@pinnerpark.harrow.sch.uk <p>Speak the Language- There are lots of different ways to say hello around the world. Learn how to say hello in Spanish, French, Mandarin, German, Arabic and Italian with your child using Google Translate. Practise writing hello using the colours of the flag for each country.</p>

STEM Learning Opportunities

Engineering Around the World - World's Largest Steel Structure

- The Bird's Nest is the world's largest steel structure and was built in China for the 2008 Olympic Games. It is made out of 26 miles of steel.
- Use strips of paper, card or wool to create your own bird nest style building. You might like to search for photos of the 'Birds nest' to help you with your design.

Additional learning resources parents may wish to engage with

- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (these have been sent via SchoolPing).
- [Numbots](#). Your child can access this programme with their school login. Email year1@pinnerpark.harrow.sch.uk if you don't have your login details.
- IXL- Click here for [Year 1](#) . There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#) Learning packs with different activities and lessons. Includes notes on how to do these activities with your children.
- [Y1 Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.

The Learning Projects are based on the **National Curriculum expectations** for the key stage which your child is in. It may be that your child finds the tasks set within the Learning Project for their year group too simple. If this is the case, then we suggest that your child accesses the Learning Projects which are set for the key stage above. Equally, if the projects are too challenging, then we advise that your child accesses the projects for the key stage below.

If your child requires more of a challenge, or you believe that there are some gaps in their learning then [Century Tech](#) is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up [here](#).
