- Adding the suffix -es and -s and swapping 'y' for 'i' when adding -ed, dropping the 'e' when adding -ing
- Reading and writing common exception words

Grammar and Punctuation

- Correct use of capital letters and full stops to help write complete sentences.

Writing

- Posters, lists, postcards, information reports, short stories, persuasive letters, descriptive non-fiction, character description

Chosen Texts

The Journey Home by Frann Preston-Gannon

We Are Water Protectors by Carole Lindstorm

Maths

Addition and Subtraction

- Subtract from a 10 or find 10 more / 10 less
- Subtract a 1-digit from a 2-digit number
- Add and subtract two 2-digit numbers
- Mixed addition and subtraction
- Missing number problems
- Compare number sentences

Shape

- Recognise 2-D and 3-D shapes
- Count sides, vertices, faces, edges on 2-D and 3-D shapes
- Draw and sort 2-D shapes and sort 3-D shapes
- Lines of symmetry
- Make patterns with 2-D and 3-D shapes

Art & Design

Children will begin to explore how they can combine shape and colour to create representations using the work of Tanielle Childers as inspiration.

Computing

iPublish - Children become publishers and will use computer software to create their very own eBooks.

E-safety – forming safe online relationships

Design & Technology

Children will be investigating, designing and constructing a product which include wheels and levers and therefore has movement. They will look at different vehicles for their ideas.

Geography

Children will focus on a history topic this half term in which they may use geographical skills such as map reading. They will be moving onto a geography topic next half term.

History

Children will learn about a group of influential and inspirational women who risked their lives to help others during dangerous times in dangerous part of the world – our nurturing nurses.

Languages

Children in Key Stage 1 are not required to learn an additional language as we focus on them developing their skills in English.

Music

Children will look to the season of winter to inspire them to create music which matches the mood and feeling of different weather and different times of the year.

PE & Sport

Children will create and perform sequences of two or more linked actions with control and awareness of space.

Outside, children will play team games to develop basic tactics for attacking and defending.

PSHE

Celebrating Difference

- Assumptions and stereotypes about gender
- Understanding bullying
- Standing up for self and others
- Making new friends
- Gender diversity
- Celebrating difference and remaining friends

Religious Education

Humanism & Hinduism

How do we remember people? Children will explore the different ways we remember people who are important to us.

Science

As part of their learning about animals, including humans, children will think about the basic needs of animals who live in the school grounds. They will learn about simple lifecycles and will also learn about the importance of healthy eating.

Homework

Children should practise their reading daily, using their reading book from school. In addition to this, children will be given an English activity, an online maths activity and a phonics or spelling activity each week. This will be given out on a Friday, to be completed for the following Thursday.
