Art & Design	Computing	Design & Technology	Geography	History	Languages
<p>Children will begin to explore how they can combine shape and colour to create representations using the work of Tanielle Childers as inspiration.</p> 	<p>iPublish - Children become publishers and will use computer software to create their very own eBooks.</p> <p>E-safety – forming safe online relationships</p> 	<p>Children will be investigating, designing and constructing a product which include wheels and levers and therefore has movement. They will look at different vehicles for their ideas.</p>	<p>Children will focus on a history topic this half term in which they may use geographical skills such as map reading. They will be moving onto a geography topic next half term.</p>	<p>Children will learn about a group of influential and inspirational women who risked their lives to help others during dangerous times in dangerous part of the world – our nurturing nurses.</p> 	<p>Children in Key Stage 1 are not required to learn an additional language as we focus on them developing their skills in English.</p>
Music	PE & Sport	PSHE	Religious Education	Science	Homework
<p>Children will look to the season of winter to inspire them to create music which matches the mood and feeling of different weather and different times of the year.</p>	<p>Children will create and perform sequences of two or more linked actions with control and awareness of space.</p> <p>Outside, children will play team games to develop basic tactics for attacking and defending.</p>	<p>Celebrating Difference</p> <ul style="list-style-type: none"> • Assumptions and stereotypes about gender • Understanding bullying • Standing up for self and others • Making new friends • Gender diversity • Celebrating difference and remaining friends 	<p>Humanism & Hinduism</p> <p>How do we remember people? Children will explore the different ways we remember people who are important to us.</p> 	<p>As part of their learning about animals, including humans, children will think about the basic needs of animals who live in the school grounds. They will learn about simple lifecycles and will also learn about the importance of healthy eating.</p> 	<p>Children should practise their reading daily, using their reading book from school. In addition to this, children will be given an English activity, an online maths activity and a phonics or spelling activity each week. This will be given out on a Friday, to be completed for the following Thursday.</p>
