Art & Design	Computing	Design & Technology	Geography	History	Languages
<p>Children will be exploring aspects of mark making and colour theory through work from artists including Paul Klee and Vincent Van Gogh.</p> 	<p>iSimulate – to use computer models to simulate real life situations.</p> <p>E-safety – to understand how people have a digital identity.</p> 	<p>During this term, following the design process, children will be exploring different ways 2D fabric shapes can be turned into a 3D product. They will be joining pieces of fabric using different stitches as they develop their sewing skills to create their own, unique fabric bookmark creations.</p>	<p>Children will focus on a history topic this half term in which they may use geographical skills such as map reading. They will be moving onto a geography topic next term.</p>	<p>Children will be exploring the main events of World War 2, especially from the point of view of children who were evacuees.</p> 	<p>Children will learn a range of greetings in French as well as counting and naming members of the family.</p>
Music	PE & Sport	PSHE	Religious Education	Science	Homework
<p>Children will explore a range of tuned and untuned percussion instruments, experimenting with rhythm, texture and dynamics.</p>	<p>Children will develop and evaluate the fundamental skills such as balancing and jumping, performing these with increasing control. Outside, they will have the opportunity to develop their accuracy and consistency when tracking a ball.</p>	<p>Being Me in My World:</p> <ul style="list-style-type: none"> Setting personal goals Self-identity and worth Positivity in challenges Rewards and consequences Responsible choices Seeing things from others' perspectives. 	<p>Sikhism</p> <p>Does joining the Khalsa make a person a better Sikh?</p> 	<p>Children will learn about different types of soils and rocks and will investigate how fossils are formed.</p> 	<p>Each week children will be given some English activities to complete at home, which will include spellings. Maths activities will be set through MyMaths. In addition, children should complete daily reading and regularly use Times Tables Rock Stars.</p>
