History	Languages
Children will continue learning about the Viking invasion of Britain and about Viking culture and its impact on our lives today.	To prepare them for café culture, children will learn key words, phrases and questions they would need when eating out in a French restaurant, café or bistro.

Science	Homework
Children will be learning about the solar system. They will conduct experiments linked to distance between planets and learn about the phases of the moon.	Each week children will be given some English activities to complete at home, which will include spellings. Maths activities will be set through Mathletics. In addition, children should complete daily reading and regularly use Times Tables Rock Stars.
